Davek Alert Umbrella \$125 Scared to invest in a high-end umbrella for fear that you'll eventually misplace it? Davek's super-sturdy Alert series is practically un-lose-able thanks to integrated beacon chips that sync with your smartphone to let you know when you've moved more than 30 feet away from the umbrella.

Calling Cousteau

Olympus TG-870 Waterproof Camera \$280

Whether you're documenting an underwater adventure or just taking snapshots in the pool, Olympus' new waterproof camera has you covered. The 16-megapixel CMOS sensor, ultra-wide-angle lens and 5x optical zoom ensure you'll get a clear shot, while the shock- and crush-proof exterior keeps it safe in depths of up to 50 feet (or 147 feet with an optional case). Built-in Wi-Fi and GPS let you easily geotag and share your pictures. **Buy it:** getolympus.com
